

YFC SOUTH SUDAN MINISTRY NEWSLETTERS

Doubling our work this year is on progress as the school opens in Feb our team reach out to school with the aim of empowering youth in schools through various programs such as drama clubs and mathematics clubs in different schools, Jerusalem secondary school as one of our partner welcome the ministry to carry out the activities to make students active and creative in school. We praise God, YFC ministry made an impact in many schools around juba, with the partnership with biblical mission who is providing the ministry with bibles and other reading materials.

Computer training center has been one of the major way for the ministry to reach out to young people, the ministry graduated 56 students last year and 10 young people were recruited as volunteers, so far over 10 youth have registered for training and will go for 3 months training.

The ministry makes a strategy to reach over 15,000 youth in this year and it has already started, we are inviting our partners to support us in different department so that we can easily reach out to far places for missions and Outreaches in and outside Juba.

Meet Famila and Asjan who fled from the war in Khartoum, they both share their experience with us at our center, both of them were Muslims, when they were in Khartoum, they came to Juba late last year in December after running from place to place for safety, they got connected to each other in Rweng and came to Juba, when in Juba they got interested to learn English Language and they got themselves together in Youth For Christ South Sudan office.

They got the opportunity and they were both registered to learn English language, we praise God the two are enjoying their time at our center and you can see smiles on their faces. Famila has made a decision and she is now a Christian, she had some conversation with the YFC team and she was very positive about the decision that she took, keep both of them in your prayers as we hope to recruit as volunteers, they are very participative in our activities and Friday devotion.

PRAYER REQUEST

1. Pray for Famila and Asjan
2. Pray for South Sudan as the Country is affected by the war in Sudan.
3. Pray for the ministry and board of Directors.
4. Pray for the provision as we plan for more missions and outreaches this year.
