

KENYA YOUTH FOR CHRIST

APRIL 2024

ANNUAL GENERAL MEETING

On Saturday, 23rd March 2024, we gathered to celebrate and give thanks for what God enabled us to achieve in the year 2023.

We were joined by our East Africa regional director, Luc Dushimerugaba, International board vice chair, Nthenya Macharia, the national board, trustees, staff, volunteers and friends of Kenya YFC.

We celebrated God's divine guidance that led us to reach 58,373 students in 18 counties with the gospel of Jesus Christ. **11,021** of them gave their lives to Christ, and **4,607** were disciplined. Our team grew from 15 to 35 members, and we launched a new chapter in Malindi that, among other ways, engages the youth through sports. We've also supported three girls from our Kimbilio shelter to go back to school, one being in Daystar University and the other two in Highschool and helped teen moms start their own businesses.

Every smile captured in our photos reflects the blessings we've received and will continue to receive as the Lord works through us.

TESTIMONIAL FROM SCHOOL MISSIONS

Testimony from a student

After watching our skit on drug abuse, Sharon* approached one of our missionaries and asked, "How can I stop taking drugs? I am addicted, and I don't know how to stop. I live alone; I am an orphan, and drugs are the only things that keep me going." Having been picked several times on the roadside due to drunkenness, she was ashamed and wanted to see change in her own life.

If a small spark of hope were shared with her that day, she thought, it would light up the dimness that had covered her life since the death of her dear parents. Our colleague prayed for her and encouraged her not to give up on herself. She left the room crying with joy, knowing that there was a love greater than that of guardians. In addition to this, she could dream again, and she knew it wasn't too late for her. Getting the hope that it is possible to experience transformation was enough for her.

We keep praying for Sharon to be strengthened in her faith and to experience full spiritual and physical transformation. Getting the hope that it is possible to experience transformation was enough for her.

We keep praying for Sharon to be strengthened in her faith and to experience full spiritual and physical transformation.

Testimony from a Principal of a school we visited

Thank you for coming to our school. Your team is a blessing to this generation where everyone is running away from speaking the truth on matters of sexuality. The fact that you based your speaking from the word of God, the message got to the heart of our boys and girls.

The skit also captured the attention of many and they could identify themselves with the various characters. I saw most of them lifting their hands to receive Jesus which means they got touched. We have had so many cases of relationships, pregnancies and drug abuse. We hope and pray that today's session will bring change.

We will be inviting you for our weekend challenge and guidance and counseling sessions. May God bless you.

A TESTIMONIAL FROM
NAIROBI CHAPTER

Hello, my name is Alice*, and I want to share with you a transformation that has taken place in my life. Just a few weeks ago, I felt like I was drowning in the chaos of a broken family, struggling with the weight of my parents' alcohol addiction. It seemed like there was no light at the end of the tunnel, no peace to be found amidst the turmoil.

But then, something incredible happened. Through the loving outreach of Youth for Christ Kenya, I was introduced to Jesus Christ. I heard about His love, His grace, and His promise of peace that surpasses all understanding. And in that moment, something shifted within me.

Two weeks ago, I made the decision to give my life to Christ, and since then, my heart has been filled with an indescribable peace. It's as if a burden has been lifted from my shoulders, and I can finally breathe freely again.

WASHABLE PADS DRIVE

The distribution of 40 packages of washable pads to the girls at Daystar Mulandi Primary was a remarkable event. These reusable pads were handmade by teenage mothers from our Kimbilio Safe House.

Each package consisted of 1 inner wear and 1 washable pad. The girls were truly thankful for the support. Many of them opened up about the financial challenges of buying disposable pads, especially when their parents cannot afford.

We thank God for the opportunity to be a blessing to girls at Daystar Mulandi Primary School.

KASSCON CONFERENCE 2024

What comes to your mind when you think of teenagers? You are probably thinking of energy, creativity, confusion, social media, pride, know-it-all, curiosity, attitude, entertainment, and more. But what is the heart of God concerning them? What role can they play in church, and how can they be used to propel the gospel?

These are some of the questions that our national director, Shem Irungu, tackled as he trained on Preparing the Next Generation for Ministry at the Kenya All Sunday School Conference (Kasscon) that was held on March 9, 2024. Over 300 youth workers from different churches and denominations took part in the workshop. Our heart is to see young people pursuing a relationship with God and serving him in their youth.

You can watch Shem's workshop through the link below.

PRAY FOR GOD'S PROVIDENCE AND SAFETY FOR MISSION TEAMS. ALSO PRAY FOR A GREAT HARVEST OF SOULS INTO GOD'S KINGDOM.

SUPPORT THE MINISTRY ADVANCE GOD'S KINGDOM

Thank you for your contribution. With every donation you make, you help us reach young people with the Gospel of our Lord Jesus Christ. Our desire is for the young people to know God and make Him known. There is a great social need and a fertile ground for discipleship.

The ways to support the ministry, and the laborers in the field are below:
