

# GHANA YOUTH FOR CHRIST

## MINISTRY UPDATE FOR FEBRUARY 2024

### MORE THAN ENOUGH

**They went to Moses and reported, "The people have given more than enough materials to complete the job the Lord has commanded us to do!" Exodus 36:5**

The work of youth evangelism and discipleship is huge but the laborers are few. Many young people in Ghana are unreached by the Gospel and disconnected from church. Our work is not completed until every young person in every community is reached and connected to Christ. We appreciate your continuous prayers and support towards this great commission. Because of your support, many souls are saved and heaven rejoices every week. However, in order to expand our outreach to more schools and unreached groups, we kindly ask that you pray and donate more. It is a great privilege and honor to be a partner with God in the business of saving young people and discipling them into the local church. May the Lord increase your greatness and comfort you on every side. (Psalm 71:21) Thank you.

### TESTIMONY

Linda gave her life to Christ during our mid-week girls club meeting. She pledged to start church on Sunday and we followed up to confirm her first attendance at the church of Pentecost. Linda's parents neglected her and 10 months baby. The father of her child also rejected responsibility, leaving her in an uncompleted house. YFC Koforidua reached out and rescued her from the hopeless situation. By the grace of God, Linda has gained confidence through her new relationship with Christ and fellowship in church and YFC. Since we enrolled her in our dressmaking skills training 6 months ago, Linda has experienced positive transformation in her character, faith and skills. With support from FFTN, Linda has been successfully reintegrated with family and Christian community. She is thriving with Faith, hope and love. "Christ in me, the hope of glory"

### SCHOOLS OUTREACH

15,650 teenagers were reached with the Gospel in 56 schools, and 1,049 surrendered their lives to Christ. 11 new schools opened their doors for weekly worship, evangelism and discipleship programs. We are inspired by reports and testimonies of transformed life, behavior and academic performance of students as a result of our ministry in Junior and Senior high schools.

### PRAYER POINTS

- \*Praise God for faithful Board, volunteers, partners and staff
- \*Praise God for the salvation of many teens through our ministry
- \*Pray for funds to sustain staff, volunteers and our Social projects
- \*Pray for provision of motorcycles for our Regional chapters
- \*Pray greater grace to expand outreach to many communities

### IMPACT STORIES

Gifty gave her life to Christ the first day she visited YFC Girls club. She knew many of the club members as bad girls in the community but that day, she saw genuine change and real joy manifesting in their lives. Even before she was given the opportunity to accept Christ, she desired to be transformed like the other girls. Most of them also had little babies and dropped from school like Gifty. YFC leaders engage them with genuine love and compassion. Gifty got pregnant at age 16 and felt guilty, hopeless and rejected by the church. But God accepted her and gave her hope through YFC's employable skills training. She is now a changed person and don't depend on men for support. With the help of YFC, she can sew many styles of dress and generate little income to take care of her child. Glory be to God!

### EMPLOYABLE SKILLS TRAINEE

I accepted Jesus Christ as my savior and Lord at Koforidua YFC. When my mother died, my hope and dream for the future died too. Life became very difficult for me, I often slept without eating the whole day. My uncle took me to his house but he couldn't afford to maintain me in school. It was therefore a great joy when I was invited to register for free dressmaking skill training. I was offered free sewing machine and training materials. Most importantly, YFC offered me opportunity to grow my relationship with Christ. **Charity**
