

GHANA YOUTH FOR CHRIST

MINISTRY UPDATE FOR APRIL 2024

EMPOWERING GIRLS

We are amazed at the positive impact made in the lives of 43 adolescent girls, who are direct beneficiaries of YFC skill training project in Accra, Tema, Koforidua, Ho and Paga. For nine months, our volunteers, counsellors and special reproductive health mentors, continue to nurture and ground them in Christ, through discipleship and mentoring relationship.

In addition to daily devotion and Bible studies, the girls are engaged weekly by matured and experienced Christian women who volunteer as counselors and mentors. Each trainee enjoy personal relationship with counselors who are YFC alumni, and we testify of authentic transformation by the grace of God and through quality investment in their lives. Almost all the girls can sew different styles of female and male dresses and have high confidence and hope to start working on their own after graduation. YFC Ghana appreciate the full sponsorship and grant from YFCI/Foundation for the Nations, towards empowering young girls with employable skills. The project funding will

end in July 2024, but we are praying and trusting God for additional support to extend training for one year. This will enable trainees to complete standard dressmaking apprenticeship certificate course. We are glad to share this impact testimony with you and all our partners. Glory be to God.

SCHOOLS & COMMUNITY OUTREACH

4,375 young people were reached with the Gospel in 15 schools, and 190 surrendered their lives to Christ. A special campus missions was held for teens at Antoa senior high school, Ashanti Reg. Volunteers spent quality time engaging with converts and establishing mentoring relationship. Community engagement with young women continued in Upper East Region.
