## CYPRUS

Cyprus is a fascinating island with a blend of Turkish and Greek, Christian and Muslim influences. It is geographically almost Middle Eastern, yet culturally more European. Taste some Klefiko (oven-baked lamb) or mezedes (dips, salads, and other appetizers), or enjoy some strong Turkish coffee. This beautiful country is filled with Crusader castles, ancient vineyards, frescoed monasteries and fragrant citrus orchards.

Youth for Christ's ministry here involves clubs, rallies, prison ministry and more. See firsthand what God is doing among the young people of Cyprus.

## LEBANON

A fascinating mix of cultures and traditions, Lebanon is rich in Biblical history. Soak in the beautiful mountains and valleys, Roman ruins, Christian and Islamic architecture. Visit the bustling international city of Beirut, once called the Paris of the Middle East. The Lebanese are known for their excellent food. Enjoy some baklava (pastries) or jellab (a sweet drink). This is the Biblical "land of milk and honey."

You'll also get to taste some of Youth for Christ's outreach here, including outreach to the refugee young people within their borders.
