INDEPENDENT AUDITORS' REPORT

Board of Trustees
Youth for Christ International Ministries
Englewood, Colorado

We have audited the accompanying consolidated financial statements of Youth for Christ International Ministries and Youth for Christ International, which comprise the consolidated statements of financial position as of December 31, 2015 and 2014, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Trustees
Youth for Christ International Ministries
Englewood, Colorado

YOUTH FOR CHRIST INTERNATIONAL MINISTRIES

Notes to Consolidated Financial Statements

December 31, 2015 and 2014

1. NATURE OF ORGANIZATION:

Youth for Christ International Ministries is a not-for-profit corporation working with young people through its chartered national affiliates around the world. The vision of the organization is to see that every young person in every people group in every nation has an opportunity to make an informed decision to be a follower of Jesus Christ and become part of a local church. Youth for Christ International, a organization incorporated in Switzerland, was created to further this mission. Youth for Christ International has no financial activity for the years ended December 31, 2015 and 2014. Collectively, these two organizations are referred to as YFCI.

The chartered national affiliates are independent organizations that support the mission of YFCI. Each national affiliate maintains an independent board of directors and is not under the financial control of YFCI. Accordingly, the national affiliates are not consolidated in these financial statements.

The national affiliates are organized by geographical region into area offices, which include Africa, Asia Pacific, Americas, and Europe, Middle East, and North Africa. The area offices report to the YFCI board of trustees and are not under the financial control of YFCI. Therefore, the financial activity between YFCI and the area offices is reported in these financial statements as related party transactions.

YFCI is exempt from income tax under Section 501(c)(3) of the U.S. Internal Revenue Code (the Code) and comparable state law, and contributions to it are tax deductible within the limitations prescribed by the Code. YFCI has been classified as a publicly supported organization and is not a private foundation under section 509(a) of the Code. YFCI's primary source of support and revenue is from contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

YFCI maintains its accounts and prepares its consolidated financial statements on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. The significant accounting policies followed are described below to enhance the usefulness of the consolidated financial statements to the reader.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents consists of cash held in checking and money market accounts. These accounts may, at times, exceed federally insured limits. YFCI has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

December 31, 2015 and 2014

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

INVESTMENTS

Investments consist of common stock and are carried at fair value based on quoted prices in active markets for identical assets, which is Level 1 of the fair value hierarchy established under the Fair Value Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). Investments received by gift are recorded at market value on the date of donation and, thereafter reported in accordance with the above provisions. Unrealized gains or losses in fair value, interest, and dividends are recognized as other income on the consolidated statements of activities in the year which they occur.

PROPERTY AND EQUIPMENT

Property and equipment is stated at cost, or if donated, at the estimated fair market value at the date of donation. Absent any donor stipulations, these restrictions expire when the asset is acquired or placed in service, and a reclassification is made from temporarily restricted net assets to unrestricted net assets at that time. Depreciation is recorded using the straight-line method over estimated useful lives ranging between five and forty years. Property and equipment purchases exceeding \$2,500 are capitalized.

NET ASSETS

The net assets of YFCI are reported according to class as follows:

Unrestricted net assets are those resources currently available for YFCI's purposes under the direction of the board of trustees and those resources invested in property and equipment—net.

Temporarily restricted net assets are those resources contributed with donor stipulations for specific purposes and programs.

SUPPORT AND REVENUE

Contributions are recorded when made, which may be when cash or other assets are received or unconditionally promised. Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated amounts. All contributions are considered available for unrestricted use unless specifically restricted by the donor. Those contributions postmarked by the end of the fiscal year are recognized as contributions and cash in that fiscal year rather than promises to give.

During the year ended December 31, 2015, YFCI entered into an agreement with Youth For Christ/USA (YFC/USA) that provides services of certain YFC/USA employees at no cost to YFCI. The value of these services received by YFCI, recognized as contributions and expense in the consolidated statements of activities, was \$79,592 for the year ended December 31, 2015.

Conference income and other income is recorded when earned.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing various program services and supporting activities have been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs, such as salaries and benefits, have been allocated among the program services and supporting activities benefited.

UNCERTAIN TAX POSITIONS

The consolidated financial statement effects of a tax position taken or expected to be taken are recognized in the consolidated financial statements when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. Interest and penalties, if any, are included in expenses in the consolidated statements of activities. As of December 31, 2015, YFCI had no uncertain tax positions that qualify for recognition or disclosure in the consolidated financial statements.

YFCI is generally no longer subject to U.S. federal and state income tax examinations by tax authorities for years prior to 2012.
